

A Service Leader's Role...

In their Small Group

- ❖ To lovingly encourage your small group to make a regular commitment to service.
 - Once every month, 3 months - as appropriate for your group
- ❖ To remind small group members of their service commitment over time.
- ❖ To facilitate or help facilitate a partnership between the small group and a service organization.
- ❖ To lead the small group in evaluating how the partnership is going and how it can be improved.

With CityWorks and the larger PSC community

- ❖ To join the CityWorks email distribution list.
- ❖ To send updates to CityWorks on small group service activities:
 - Where your group is serving
 - What you are doing
 - How often
 - What is working well (confidential)
 - What is not working well (confidential)
- ❖ To communicate with CityWorks and other Service Leaders about any needs that your partner organization has which your small group cannot fulfill.

Let your light shine before men, that they may see your good deeds and praise your Father in heaven.

- Matthew 5:16
